Attention:

Subject : (Contract RD-35)

Gentlemen:

The security officer recently surveyed your facilities and advised as a result thereof that the window guards which were installed on your office and laboratory windows in June 1953 were necessary protection for the subject contract. The cost of $2,064.00 is approved as properly allocable to this contract.

The charge to the Maintenance and Repair Account as an indirect cost as reflected in the interim indirect cost audit is approved with the understanding that this approval will not require an increase in funds previously allocated for each of the tasks which are being performed thereunder.

Very truly yours,

25X1
